

Anti-Bullying Week 2022
Reach out with compassion!

Dear Parents / Carers

This week is Anti-Bullying week. In school, children will be learning what bullying is and how we can prevent bullying from happening, or continuing. This year the theme of Anti-Bullying week is to reach out to people for support if we need it.

As part of our Anti-Bullying week, the children are focusing on two of our school values 'compassion' and 'friendship'. It is important our children continue to develop their understanding of how to be a good friend and show compassion.

"Carry out a random act of kindness, with no expectation of reward, safe in the knowledge that one day someone might do the same for you." - Princess Diana.

There are always opportunities in every day to show kindness to someone. To support our understanding of the value 'compassion', we would like you to work with your child to think of lots of 'Random Acts of Kindness' they could do. Some examples are:

Smile at somebody.	Call up a relative you haven't spoken to in a while to say hello.	Water plants and flowers.
Give somebody you love a hug.	Hold a door open for somebody.	Write a kind note for somebody.

Children can complete as many Acts of Kindness as they would like. We would love children to share their learning over the next few days, through uploading photographs or videos in the portfolio section of Class Dojo.

As always, ensuring the safety and welfare of our children is our number one priority. **Please ensure that children are supervised at all times and that completed activities only involve known family members and close friends.**

Thank you, as always, for your continued support.

Yours faithfully,
K. Morley
